Speech and Drama

Peter Dayson CertEd

Peter started his career as an actor in stage, television and film, progressing to writing, directing and producing.

He ran an International Award Winning Community Cross-Over Project which took children and students from across the London Boroughs and performed in the West End, transferring to Ohio, U.S.A. This involved artists from the industry working with local actors and special needs students to produce an innovative and unique international award winning production concept.

As an Actor Peter has appeared in many tv series and sit-coms, on stage played everything from John Macey in 'MONDAY AFTER THE MIRACLE' (West End) to Chris Keller in 'ALL MY SONS' with rep seasons ranging from Manchester, Nottingham, Birmingham, Leeds, Swansea, and Basingstoke.

As a writer Peter has written several plays, 8 musicals, show-cased in the West End and is currently working on a spy-thriller.

For television Peter has appeared in several Dr Who episodes with five different Doctors, Blakes Seven, Three of a Kind, Stig of the Dump and The Stanley Baxter Picture Show, Sorry, Play for Today.

He has just finished writing and directing a new musical called Hazlewood Heroes and currently working on a new film script.

Later this year he is directing a 110 centenary production in Birmingham with an all star cast.

As a Director Peter has been responsible for many productions, was Artistic Director for Stafford Gatehouse for 8 years, worked for Disney as a Director and Executive Producer and, also worked for Really Useful Theatre Groups and for 2 years as a writer for E.M.I.

Peter's passion is working with children, students and young performers, particularly special needs to nurture, encourage, support and develop them with perhaps a career in the industry or just 'Life Skills'.

Peter has recently finished directing GODSPELL with Chesney Hawkes, Sleeping Beauty in Leeds and Cinderella in Birmingham. He is currently directing a play which is heading into the West End later next year.

With three productions in December 2023 Peter has just directed 'Cinderella' in Leeds, 'Beauty and the Beast' in Birmingham and 'Santa' in Wimbledon. He has just completed Sri Lanka Festival and is currently adjudicating Hong Kong. In April 2023 he is adjudicating the Canada Festival, Fleetwood and Hong Kong.

Later this year he is also directing two productions of Snow White in Leeds and Redditch.

Peter is also available for on line adjudicating. During the covid crisis Peter has regularly used tools such as Zoom, Google Classroom and WhatsApp to keep in touch with his many students, with workshops, lectures and lessons, as well as preparing showreels, voice overs, audition pieces and general industry support and advice.

Creating Safer Festivals for Everyone

The Federation and its member Festivals use the following policies and procedures to create Safer Festivals for everyone:

1. A single, definitive Child Protection Policy adopted by all Federation Festivals.
2. One or more designated Festival Safeguarding Officers (FSO) appointed for each Federation Festival.
Name: Mrs Barbara Doar Phone: 01332 559601
3. Best practice advice in the form of **Safe Working Practice** and **Festival Child Protection** leaflets, with support and training for all Festival staff and volunteers. Including clear reporting procedures for anyone with a concern about a child.
4. Appropriate recruitment and induction procedures for all new Festival staff and volunteers responsible for providing safe environments for everyone attending / performing at a Federation Festival.
5. All Festival staff and volunteers wear a badge to identify their roles and all teachers/ parents/guardians /carers are asked to report all incidents of any nature to anyone wearing a badge. All reported incidents will be handled in accordance with the **Safe Working Practice** and **Festival Child Protection** best practice advice. In addition we will ensure the availability of a quiet area / room where concerns can be expressed in private.

6. For the duration of a Festival all teachers/parents/guardians/carers are responsible for the continuous care and supervision of their own children/pupils. If they are unable to attend personally, they must delegate their responsibilities to an identified adult and ensure that their children/pupils are aware of the identity and name of the person responsible for their care. This includes supervision throughout all Festival venues, performance, practice and changing areas that may be provided.

7. No unauthorised photography or video recording of children and young people is allowed at our Festivals. Where parents/guardians/carers do not wish photos to be taken at all, then the responsible adult attending should ensure that their child is not included in official photos.

8. Some children and vulnerable adults may have specific needs in order to take part. If this is the case we ask the responsible teachers/parents/guardians/carers to contact the Festival Organisers at the time of entry. The Festival actively seeks to meet the needs of participants but may need to know beforehand due to site limitations.

9. The Festival's Child Protection Policy and approach to Creating Safer Festivals for everyone is published explicitly in our Syllabus, Programme and on our website. By completing and signing the entry form all parents / guardians / carers and teachers of entrants under 18 confirm that they give (or have obtained) the necessary consents for the entrants to take part in the Festival. Without consent the entry to the Festival cannot be accepted.

Fire Risk

Following fire safety advice from the Venue please note that any scenery or props must be fire-proofed. Corridors, alleyways and all access/egress points must be kept clear.

Child Protection Policy

The British and International Federation of Festivals for Music, Dance and Speech work for amateur festivals everywhere to help create thousands of educational performance opportunities for children and young people each year.

The Federation, and our member Festivals, are committed to ensuring safe environments for children and young people and believe that it is always unacceptable for a child or young person to experience abuse of any kind. We recognise our responsibility to safeguard the welfare of all children and young people, by a commitment to recommend best practice which protects them.

This Policy applies to our Board of Trustees, paid staff, Adjudicator members, volunteers, students or any one working on behalf of the Federation and our member Festivals.

We recognise that:

- the welfare of the child/youngperson is paramount
- all children, regardless of age, disability, gender, racial heritage, religious belief, sexual orientation or identity, have the right to equal protection from all types of harm or abuse
- working in partnership with children, young people, their parents, carers and other agencies is essential in promoting young people's welfare.

The purpose of the policy:

- to provide protection for the children and young people who participate in our festivals, including the children of festival members
- to provide staff and volunteers with guidance on procedures they should adopt in the event that they suspect a child or young person may be experiencing, or be at risk of, harm

We will seek to safeguard children and young people by:

- valuing them, listening to and respecting them
- adopting child protection guidelines through procedures and safeworking practice for staff and volunteers
- recruiting staff and volunteers safely, ensuring all necessary checks are made • sharing information about child protection and safeworking practice with children, parents, staff and volunteers
- sharing information about concerns with agencies who need to know, and involving parents and children appropriately
- providing effective management for staff and volunteers through supervision, support and training.

The Federation will review this policy each year in November in line with Safe Network guidance or sooner in light of any changes in legislation or guidance. All changes will be communicated to our member Festivals in time for the start of the new Festival year.
